

System Administrator/Network Administrator/Technical Officer

To keep in line with our growth strategy, Zonat Sarl is seeking to hire an experienced System Administrator/Network Administrator/Technical Officer to lead projects for our world-class web hosting brands.

Zonat is a forerunner in the web hosting industry, operating its headquarters in the heart of Luxembourg. We have an exceptional goal-oriented team from multi-cultural backgrounds. At Zonat, you can expect to work with a team that will respect your contributions to the growth and success of the business.

Your profile:

- You have a good knowledge of Linux, Administration of Systems.
- Understanding of Hosting solutions architecture, ex: CPanel, Plesk.
- You have basic understanding configuring, secure and updating systems of many varieties.
- You enjoy teamwork whilst being able to work independently.
- You have knowledge in Ticketing Systems.
- You are fluent in English. Other languages are welcome.

You will be required to:

- Work in collaboration with the CEO and other key-persons.
 - Resolve application problems.
 - Respect the operational constraints.
 - Ensure compliance with development and documentation standards and deployment of these solutions.
 - Provide support for applications that have been launched.
 - Act as a mentor to team members.
- Job Type: Full-time, CDI Contract.

If you think you fit this role and have what it takes to be successful, send us your CV and cover letter in English to freddy@zonat.com.

Zonat Sarl
14, Rue Robert Stumper
